## Hire Rates

Equipment is available for use by either joining the MEET and paying an annual membership fee or a casual per event or day basis.

Members of MEET are able to use the equipment without further cost and will have preference including the use of the trailer.

All hirers are responsible for the costs of any lost or damaged equipment. Please remember that the loss or damage of any equipment may affect our ability to have sufficient resources for the next hirer.

Fees are GST inclusive and are reviewed annually.

**Membership** **\$75.00**

(for a calendar year or part thereof)

### Casual

**Standard size signs** **\$2.00 ea**

**900mm cones** **20c ea**

# MANAWATU EVENTS EQUIPMENT TRUST

The Manawatu Events Equipment Trust is a charitable trust that was established in 2003 to assist any sporting or public organisation with their traffic management requirements for events on public roads. Hire for commercial purposes is not permitted.

The main aim of the MEET is to provide all the necessary equipment at a nominal cost to any organisation whether local or from anywhere in New Zealand.

All of the equipment available from the MEET fully complies with the legal requirements for road signs, cones and hi-viz jackets etc for Transit NZ, Ministry Of Transport, City and District Councils. A purpose built trailer is available for transporting of the equipment.

The equipment is available for hire anywhere in New Zealand, although the hirer is responsible for the arranging and payment of transport from and return to Palmerston North.

The equipment available from the Trust has been purchased or provided from the generous support of the following organisations:

The Square Trust  
The Road Safety Trust  
The Lion Foundation  
NZ Trailers  
Eastern & Central Community Trust  
Pirie Surveying  
Manawatu Striders  
Hirequip  
Couchman's Signs  
Stylex Print  
Barstow Insurance  
NZ Post  
Steelmasters  
Sleipnir Screenprint  
Adamson & Holland  
TWL Transport & Engineering Supplies  
Mackinnon Chartered Accountants  
On Road New Zealand

To ensure that the hire fees are kept as low as possible we are continually seeking donations, services or equipment.

There are currently four Trustees which manage the MEET and are able to provide organisations with extensive support and advice on traffic management.

The MEET strongly recommends that all hirers familiarise themselves with their legal requirements and attend Traffic Controller and Site Traffic Management Supervisor courses.

To ensure that we can provide you with the necessary equipment it is vital that you contact us and arrange the hire as early as possible. Councils and Transit NZ require at least 2 weeks notice of events.
